## Information and Instructions Form 259 — Application For Citizenship

**NOTES.** This page includes instructions for completing Form 259 — Application For Citizenship. Please do not return this page with your application form. You may apply for citizenship by completing the actual Form 259, or by completing the electronic version of this form which is available online at [www.LunarRepublic.com](http://www.LunarRepublic.com).

This form must be filled in completely. Print the answers in ink or use typewriter. If any question does not apply to this application, please print "N/A" in the answer line. If you do not have enough room for any answer or if the instructions tell you to use a separate sheet of paper, use another sheet this size, giving the answer the same number as the number of the question, and attach it to the application.

Please include your current, active e-mail address so that we may correspond with you regarding the status of your application for citizenship. You must include your current legal address of residence; this information will be recorded in your naturalization documents. *If you prefer to have your documentation mailed to a different address, please attach a separate sheet to your application that details this information.*

The information that you provide on this form is confidential and will not be shared with any outside entity under any circumstances. If you have questions regarding citizenship, please contact the office of the Secretary of State of the Lunar Republic at [state.dept@lunarpublic.com](mailto:state.dept@lunarpublic.com).

**NAME TO BE SHOWN ON DOCUMENTS.** The citizenship document will be issued only in a name that you have a legal right to use.

**AGE OF APPLICANT.** Applicants 18 years of age or over must sign their full names in the space provided on this application. If under 18 years, only the parent or guardian must sign his or her name and only in the space provided on this application.

**FEE.** A fee of eight dollars (\$8 US) per adult applicant must be paid for filing this application. It cannot be refunded, regardless of the action taken on the application. **DO NOT MAIL CASH. ALL FEES MUST BE SUBMITTED IN THE EXACT AMOUNT.** Payment by check or money order must be payable in United States currency. The check or money order must be made payable to the "LUNAR REPUBLIC." When a check is drawn on account of a person other than the applicant, the name of the applicant must be entered on the face of the check.

If the application is submitted from outside the United States, remittance may be made by a bank international money order or foreign draft drawn on a financial institution in the United States and payable to the Lunar Republic in United States currency.

Personal checks are accepted subject to collectibility. An uncollectible check will render the application and any document issued pursuant thereto invalid. A charge of \$30.00 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn.

**ABOUT THIS FORM.** By completing, signing and submitting this form, you are applying for legal status as a citizen of the Lunar Republic. Unless you elect to do so of your own free will, you are not surrendering your current citizenship status, and may claim dual citizenship if you so choose. You are entitled to all the rights and freedoms afforded to you as a citizen of the Lunar Republic, and these rights may not be infringed upon by any foreign authority.

The Supreme Court of the United States has stated that dual citizenship is "a status long recognized in the law" and that "a person may have and exercise rights of nationality in two countries and be subject to the responsibilities of both." Dual citizenship results from the fact that there is no uniform rule of international law relating to the acquisition of nationality. Each country has its own laws on the subject, and its nationality is conferred upon individuals on the basis of its own independent domestic policy.
